**DIRECTORATE: OFFICE OF THE CHIEF FINANCIAL OFFICER**

**ITEM NO:**

**REFERENCE:**

**SPECIAL ADJUSTMENTS BUDGET FOR 2020-2021 FINANCIAL YEAR**

**Report of the Chief Financial Officer**

**1. Purpose of the report**

The purpose of the report is to submit the 2020/21 Special Adjustment Budget as required by section 28 of the Local Government Municipal Finance Management Act, No. 56 of 2003 and to request approval thereof.

**2. Background**

On the 26<sup>th</sup> February 2021, Council approved the 2020/21 Second Adjustments budget CR 116/02/21. The approved budget should be implemented in terms of Section 69 of the Municipal Finance Management Act. Section 69 (2) further stipulates that in the process of implementing the budget and when necessary, the Accounting Officer must prepare an adjustments budget and submit it to the Mayor for consideration and tabling in the Municipal Council.

In order to ensure that the municipality's budget is funded and therefore credible, it's imperative that the assessment of National Treasury (NT) is given the necessary importance that it requires.

The COVID 19 economic era has not made it easy and therefore the need to be financially prudent and conservative is of paramount importance. The independent view and assessment from NT one of the ways of achieving this.

The preliminary NT assessment was received on the 25th February 2021 whilst the budget was adopted in Council on the 26th in line with section 28 (2) (b) of the MFMA.

The council decision to adopt the budget was subject to the final assessment from NT due to the preliminary assessment only received on the 25th

The preliminary assessment from NT indicated that the budget should have adequate reserves in order for it to be funded and sustainable considering the impact of COVID 19 on the economy.

To this end, the municipality reduced the operational budget by R97 million and R17.5 million in capex. We further indicated a cash backed reserve of R126 million.

Based on this amendment NT has indicated a funded budget. (Annexure B)

Good Day

Kindly receive herewith the attached funding outcome of the proposed 2021 Adjustment Budget.

The funding assessment outcome shows the proposed Adjustment Budget is funded but the municipality is advised to increase the collection rate and strictly control the management of expenditure (especially the wage bill and contracted services).

Once again the municipality is reminded of regular payment of creditors within the 30 - day time period after the submission of invoices, as prescribed by the MFMA.

Please feel free to contact us should you need further assistance and guidance regarding this matter.
