There is a need for procedures in terms of which employees may, without fear of reprisals, disclose information relating to suspected or alleged criminal or other irregular conduct affecting them and/ or the municipality. Every employer and employee has a responsibility to disclose criminal and any other irregular conduct in the workplace and every employer has a responsibility to take all necessary steps to ensure that employees who disclose information regarding criminal and any other irregular conduct in the workplace are protected from any reprisals as a result of such disclosure.

2. DEFINITIONS
