## **PART III – GENERAL CONDITIONS APPLICABLE TO ALL PROPERTIES**

### **9. CONDITIONS APPLICABLE TO ALL PROPERTIES**

#### **9.1 USE OF ALL LAND**

Land may only be used in accordance with its approved land-use zone as determined in this land-use scheme.

#### **9.2 EXCAVATIONS (EXCLUDING USE ZONE 21&22) AND BOREHOLES**

Except with the written consent of the local municipality and subject to such conditions as it may impose, neither the owner nor occupant (excluding where the local municipality, government or wholly owned government companies is the owner) shall, or allow any other person to-

- 9.2.1 excavate any material from an erf or other land within the jurisdictional area of the local municipality save as may be necessary to prepare such erf or land for building purposes;
- 9.2.2 sink any wells or boreholes on such erf or other land within the jurisdictional area of the local municipality or extract any underground water there from, save as may be necessary on land where the local municipality is not the service provider; and
- 9.2.3 manufacture or permit the manufacturing of tiles or earthenware, pipes or other articles of similar nature for any purpose whatsoever on the erf or other land within the jurisdictional area of the local municipality unless the erf or land falls within Use Zones 5 and 6.

#### **9.3 PROTECTION OF LAND AND THE ENVIRONMENT**

- 9.3.1 No person may spoil or damage land in any Use Zone so as to impair its use or the purpose for which it was zoned.
- 9.3.2 No person may develop land without complying with the requirements of the National Environmental Management Act, 1998 (Act 107 of 1998) as amended from time to time and without observing the requirements relating to listed activities.

#### **9.4 HANDLING AND DRAINAGE OF STORMWATER**

- 9.4.1 Where, in the opinion of the local municipality, it is impracticable for storm water to be drained from higher lying erven direct to a public street, the owner of the lower lying erf shall be obliged to accept and permit the passage of such storm water over the lower lying erf; Provided that the owners of the higher lying erven from where the storm water is discharged over a lower lying erf, shall be liable to contribute a proportionate share of the cost of any pipeline or drain which the owner of such lower lying erf may find reasonably necessary to lay or construct for the purpose of leading away the water so discharged over the erf, subject to the approval of the pipeline or drain by the local municipality.

## **9.5 PLACING AND DEVELOPMENT OF BUILDINGS**

- 9.5.1 The siting of buildings, including outbuildings erected on the erf, as well as exits and entrances to a public street system shall be to the satisfaction of the local municipality.
- 9.5.2 No building of any nature shall be erected on that portion of the property which is likely to be inundated by the floodwater of a public stream on an average of 100 years, as determined by the relevant legislation from time to time and the local municipality.

## **9.6 BUILDING LINES, BUILDING RESTRICTION AREAS AND LINES OF NO ACCESS**

- 9.6.1 No building or structure other than boundary walls, fences, garden decorations, pergolas or temporary buildings or structures required in connection with building operations on the property, shall be erected within any building restriction area.
- 9.6.2 The building lines as defined in Table "E" are applicable to all properties according to the use zones as set out therein. Provided that, in addition to the building lines stipulated in Table "E":
- (a) The local municipality has the right to use a 2m strip next to any two boundaries of a property (street boundary excluded) and in case of a panhandle, an additional servitude, 2m wide across the access portion of the erf for the installation of engineering services, and such strips are to be considered as building restriction areas (no building or other structure shall be erected within the foresaid servitude area and no large rooted trees shall be planted within the area).
  - (b) The erection of buildings on distances from boundaries other than street boundaries must comply with the Act on National Building Regulations and Building Standards (Act 103 of 1977) and any amendments thereof.
  - (c) The local municipality may, after receipt of an application for written consent in terms of Clause 22 from the owner, and subject to such conditions as the local municipality may find expedient—
    - (i) permit the erection of a building in the building restriction area in the case of corner properties or where, due to the slope of the property or adjoining land, or the proximity of buildings already erected, compliance with the building line requirements will hamper development of the property to an unreasonable extent or where the building line is not needed for the installation of services;
    - (ii) during consideration of a site development plan, relax the building restriction area for all erven, if it is of the opinion that such relaxation would result in an improvement of the development potential of the erf and the esthetical quality of the building; and
    - (iii) permit the construction of a swimming pool or tennis court in the building restriction area.
  - (d) Where an erf or other land borders on a national or provincial road, or if provided otherwise in the conditions of title, the applicable building line shall be the building line prescribed by the Controlling Authority, or the building line indicated in Table "E", Column 15, whichever is the wider, and such building line shall not be relaxed, modified or amended without the written consent of the Controlling Authority.

- (e) For the purpose of this clause a sanitary and pedestrian alley is not considered to be a street or road.

9.6.3 Access to and exit from a property to any public street or road, shall, where prohibited across a boundary line, be indicated by the following symbol on the scheme map:

Provided that the local municipality may, upon receipt of a written application, permit its relaxation upon such conditions as it may deem fit, if, due to extraordinary circumstances, compliance with such restriction of access, will hamper development of the property to an unreasonable extent; Provided further that no relaxation of a restriction on access to or exit from a property, to a provincial or national road, shall be permitted without the consent of the Controlling Authority.

## **9.7 SCREEN WALLS AND FENCES**

- 9.7.1 A screen wall or walls shall be erected and maintained to the satisfaction of the local municipality if and when required by it.
- 9.7.2 Where a property has been fenced, such fence shall be maintained to the satisfaction of the local municipality.

## **9.8 MAINTENANCE OF BUILDINGS, GARDENS AND SITES**

- 9.8.1 The owner is responsible for the maintenance of the entire development on the property.
- 9.8.2 Where the amenity of any use zone is detrimentally affected by the condition of any garden, yard, building or any development on a property, the local municipality may, by notice served upon the owner or occupant of the premises on which such condition exists, require him to take, within a period of 28 days or such other period the local municipality in his discretion may deem reasonable from the date of service of the notice, such steps as may be necessary to abate such condition and the measures required to be taken at his expense to abate the condition complained of, shall be set out in such notice.

## **9.9 EXEMPTION OF EXISTING BUILDINGS**

The stipulations of the land-use scheme are not applicable to existing buildings other than existing buildings in accordance with Section 43 of the Ordinance. Where such buildings are altered or added to and where such altered use, alteration, rebuilding or construction is in the opinion of the local municipality substantial, the stipulations of this land-use scheme are considered to be binding and valid in respect of those parts that are changed, altered or rebuilt: Provided that additions and constructions that do not exceed 30m<sup>2</sup> in total (or is of a limited extent such as the removal of non-load bearing internal walls, the erection of moveable partitions, safes

and toilets inside an existing building, or repair work inside or outside a building), are not considered to be substantial.

## **9.10 BUILDINGS USED FOR MORE THAN ONE PURPOSE**

*9.10.1* Where a building is used, or a proposed building is designed for more than one purpose, it shall, for the purposes of Clauses 13, 14, 15,16 and 18, (density; height; coverage and parking), be deemed to be partially used or to have been partially designed, for each such purpose or use: Provided that for the purposes of this clause if more than 75 % of a building is otherwise designed or used for a single use or a single use is predominant in such building, it shall be dealt with as if used or designed for such predominant use. The local municipality shall, in its discretion when considering a building plan, or upon application for this purpose being made by the person in charge of the erection of a building, or proposing to erect a building, decide which use is predominant.

*9.10.2* The local municipality shall notify the applicant, within twenty-eight (28) days or such other period the local municipality in his discretion may deem reasonable, after official receipt of the building plan or application in terms of any decision in terms of sub-clause9.10.1.

**PART IV –INTERPRETATION OF USE ZONES AND USE OF LAND AND BUILDINGS**

**10. STRUCTURES WHICH MAY BE ERECTED IN ANY USEZONE**

This land-use scheme does not prohibit the erection of entrance structures (other than entrance halls and entrance passages), pergolas, garden ornaments, boundary walls and fences.

**10.1 ERECTION AND USE OF BUILDINGS OR USE OF LAND**

- 10.1.1* For the purposes of this clause, the expression "erection and use of a building" includes the use of land and a building, as well as the conversion of a building for that use whether or not it entails the structural alteration thereof.
- 10.1.2* The purposes for which buildings and land in each of the use zones:
- (a)* may be erected and/or used;
  - (b)* may be erected and/or used only with the special consent of the local municipality, permanently or for a specified period;
  - (c)* may be erected and/or used only with the written consent of the local municipality ;or
  - (d)* may not be erected and/or used.
- are shown in the Land Use Table
- 10.1.3* No person shall without consent being granted in terms of Clauses 21, 22 or 23 hereof use, or cause or permit to be used, any building or property or part thereof for a purpose other than the purpose for which it was zoned.
- 10.1.4* If the use of building changes because of the rights those have been granted to a property or have already vested in the property, such building and the property shall comply with all the conditions laid down and which are applicable to the use.
- 10.1.5* If the use of an existing building changes and it is not in accordance with the rights attached to the property, it shall comply with all the stipulations of the scheme.
- 10.1.6* Where the use of land or a building can only be conducted with the permission of the local municipality, the use may not be conducted prior to the consent being given.
- 10.1.7* Nothing herein contained shall be deemed to grant exemption from any of the local municipality's neither by-laws nor any other Act.

**PART V – SPECIFIC CONDITIONS AND DEVELOPMENT CRITERIA  
APPLICABLE TO USE ZONES**

**11. CONDITIONS APPLICABLE TO ERVEN ZONED RESIDENTIAL 2 AND RESIDENTIAL3**

Subject to the general conditions in Clause 9, the following additional conditions will apply to the erven in Use Zone 3 (Residential 2) and Use zone 4 ( Residential 3 ) :

- 11.1* The requirements as set out in Table "A" to "E".
- 11.2* A site development plan shall be submitted, as set out in Clause17.
- 11.3* The erf or any group of erven shall not be subdivided into plots with single dwelling units thereon, before full implementation of the proposals embodied in the site development plan relating to the particular erf or group of erven have been fully implemented or the local municipality has granted written consent thereto. If it is not the intention to develop the whole of the erf or any group of erven simultaneously the grouping of the dwelling units and programming of the development must be shown clearly on the site development plan.
- 11.4* The internal roads on the property shall be constructed and maintained by the owner as required by the local municipality.

**12. CONDITIONS APPLICABLE TO PUBLIC GARAGE AND FILLING STATIONERVEN**

Subject to the general conditions in Clause 9, the following additional conditions will apply to erven used for public garages or filling stations:

- 12.1* The requirements as set out in Table "A" to "E".
- 12.2* A site development plan shall be submitted, as set out in Clause17.
- 12.3* No material or equipment of any nature whatsoever may be stored or stacked to a height greater than the height of the screen wall.
- 12.4* No repair work to vehicles or equipment of any nature, shall be performed outside the garage building, except in an area screened off for the purpose to the satisfaction of the local municipality.
- 12.5* No material or equipment of any nature whatsoever shall be stored or stacked outside the garage building, except in an area screened off for the purpose.

- 12.6 The local municipality may relax conditions in Clauses 12.3, 12.4 and 12.5 by written consent in terms of Clause 22.

### **13. DENSITIES, SUBDIVISION AND OCCUPATION**

- 13.1 Table "C" Columns 8, 9 and 10 stipulates density in terms of the maximum number of dwelling units per net to hectare or per erf, attached to the erf as a primary right, as well as the extent to which it may be relaxed by special consent in terms of Clause 21, or written consent in terms of Clause 22 by the local municipality, as the case may be.

- 13.2 The local municipality will compile a policy on residential densities permissible in different townships and rural settlements and/or residential neighbourhoods to guide decisions with applications for the relaxation of densities by special consent in terms of Clause 21, or written consent in terms of Clause 22 by the local municipality, as the case may be.

- 13.3 The local municipality may, upon application being made for its special consent in terms of Clause 21, or its written consent in terms of Clause 22 as the case may be, amend the density of an erf in accordance with the local municipality's policy on density and as amended from time to time.

- 13.4 Where a dwelling unit has been erected on a "Residential 1" and "Agricultural" zoned property, the owner may apply in terms of Clause 22 to erect an additional dwelling unit on such property.

- 13.5 The local municipality will not consent to the subdivision of land or an erf if such subdivision does not comply with the density stipulations as set out in Table "C" or any other reasonable conditions the local municipality may require.

Notwithstanding any conditions that are applicable regarding the subdivision of erven in terms of the Ordinance or this scheme, the following further conditions are applicable to panhandle subdivisions:-

- 13.5.1 the panhandle shall provide access from a street to the panhandle portion;
- 13.5.2 the panhandle shall not be less than 3m wide along its whole length, unless the local municipality otherwise grants written consent;
- 13.5.3 the area of the panhandle portion, excluding the panhandle, shall be in accordance with the density requirements of this scheme;
- 13.5.4 except with the written consent of the local municipality the slope of the pan handle shall not exceed 1:8;
- 13.5.5 a panhandle shall provide access only to the erf of which it forms a part as well as the property in favour of which a servitude of right of way has been registered over the panhandle, except where the local municipality otherwise determines;

- 13.5.6* the registered owner of the panhandle portion shall, when required by the local municipality, at his own expense pave the panhandle to the satisfaction of the local municipality prior to or simultaneously with the erection of any building on the erf and such roadway shall thereafter be maintained dust free to the satisfaction of the local municipality;
- 13.5.7* the registered owner of the panhandle portion shall, when required by the local municipality, erect screen walls or dense barriers along the boundaries of the panhandle to the satisfaction of the local municipality. The extent, material, design, height, position and maintenance of such screen walls or barriers shall be to the satisfaction of the local municipality.
- 13.5.8* No buildings or structures except such walls and barriers envisaged in sub-clause 13.5.7 shall be erected in the panhandle.
- 13.6* Not more than one household, together with two other persons, or a maximum of eight (8) persons may live on a permanent basis in one dwelling unit. If the number of persons exceeds above-mentioned, written consent in terms of Clause 22 must be obtained.

#### **14. HEIGHT OF BUILDINGS**

- 14.1* Dwelling unit/s or residential buildings in the "Residential 1 and 2" use zone shall not exceed two storeys in height, except in accordance with the written consent of the local municipality, obtained in terms of Clause 22, prior to the erection of any new building.
- 14.2* If a dwelling unit or residential building in the "Residential 1 and 2" use zones exceeds 1 storey and due to the topography of the area may impair on the privacy, aesthetics, or view of adjacent properties a site development plan may be required for approval, by the local municipality.
- 14.3* Buildings in other use zones excluding those mentioned in Clause 14.1 shall not exceed five (5) storeys in height.
- 14.4* No building, other than those mentioned in Clause 14.1, may exceed five (5) storeys in height, except in accordance with written consent of the local municipality obtained in terms of Clause 22, prior to the erection of new buildings or additions to existing buildings.

#### **15. COVERAGE OF BUILDINGS**

- 15.1* Table "C", Columns 11 and 12 contains respectively, the coverage which may be implemented on a property and the extent to which the coverage may be relaxed.
- 15.2* Coverage of buildings shall not exceed the coverage stipulated in Table "C" except in cases where the written consent of the local municipality in terms of Clause 22 had been obtained, and then only on condition that the total number of parking spaces required in terms of Clause 18, read together with Table "B", Column 7 can be made available.

## **16. FLOOR AREA RATIOS**

22.2 An application shall include a report to the Local Municipality, containing full particulars on the criteria referred to in Clause 20.1 of the proposed uses, as well as:

22.2.1 the name and address of the applicant;

22.2.2 the description, address and the locality of the subject property;

22.2.3 existing zoning of the property; and

22.2.4 a complete description of the proposed use of the land and/or building.

22.3 No written consent shall be granted in terms of this clause until the applicant has, to the satisfaction of the local municipality, obtained the written comments of the surrounding owners, as envisaged in Clause 22.4.

22.4 The applicant shall:

22.4.1 procure a form, as prescribed by the local municipality for the consent referred to in Clause 22.3, to be completed by every occupant or owner of land or his duly authorized agent, who owns property situated:-

- (a) in a township or rural settlement, within a radius of 50m or such other distance as determined by the local municipality from the closest point of the property in respect of which an application is made; and
- (b) in the "Agriculture" use zone, that shares a common boundary or boundary point with the application property or such other owners of land in the surrounding area as determined by the local municipality.

22.4.2 supply full particulars and a description of the nature and extent of the intended use; relaxation required; the property description; the owner; and record therein that none of the persons referred to in sub-clause 22.4.1, notwithstanding their being aware of their right in terms of Clause 22.5 to object or to make representations against the application, has any objection thereto and such form shall be signed by, and disclose the name, street address and telephone number of, every person mentioned in sub-clause 22.4.1 ;and

22.4.3 In the case of an application lodged in the "Residential 1" (Rural Settlement)" use zone, the surrounding owners as referred to in Sub-clause 22.4.1 may submit the relevant form directly to the local authority and not to the applicant.

22.5 The local municipality shall consider any objection received and hear any representation made at a hearing arranged by the local municipality within a reasonable time period for which purpose the provisions of Clauses 21.3, 21.4 and 21.5 and 21.6 shall apply mutatis mutandis.

22.6 The local municipality shall notify in writing, the applicant, and if applicable to the objectors within a reasonable time of its decision.

22.7 Every applicant shall, after approval by the local municipality, of an application envisaged in this clause, be obliged to, on an annual basis, in the month, during which the applicant was notified of such an approval as envisaged in Clause 22.6, to the satisfaction of the local municipality, submit an affidavit in confirmation of inter alia the fact that the conditions pertaining to such approval and use, are fully complied with.

## **23. TEMPORARY CONSENT OF THE LOCAL MUNICIPALITY**

Notwithstanding any other provision of this scheme, the local municipality may, upon receipt of a written request, give its consent to the temporary use of any land or building within any use zone, for any of the following purposes:

- 23.1 The erection and use of temporary buildings, or the use of existing buildings for site offices, storage rooms, workshops or such other uses as may be necessary during the erection of any permanent building or structure on the land; Provided that such consent shall ipso facto lapse upon completion of the permanent structure or on the expiry date thereof as determined by the local municipality.
- 23.2 The occasional use of land or buildings for public religious exercises, place of instruction, institution, place of amusement or social hall.
- 23.3 The use of land or buildings thereon for state or municipal purposes.
- 23.4 The use of land or the erection of buildings necessary for the purpose of informal retail trade.
- 23.5 The use of land or buildings, on a rural settlement in Use Zone 2 only, for the small-scale manufacturing of cement bricks for use by the owner of such rural settlement site or the selling of such bricks to owners of sites within the same rural settlement. The provisions of clauses 22.2 - 22.5 shall apply mutatis mutandis.
- 23.6 Any temporary consent granted in terms of this clause shall not be granted for any period in excess of 12 months, which period may however be extended by the local municipality for further periods of 12 months each, subject to a maximum period of 3 years in aggregate in cases falling within the ambit of Clauses 22.1, 22.2 and 22.3.

## **24. CONSENT FOR THE PRACTICE OF A HOUSEHOLD ENTERPRISE**

In addition to any conditions imposed by the local municipality in the granting of a special or written consent, the exercise of a household enterprise, from a dwelling unit, shall be subject to the following:

- 24.1 No title condition applicable to the property may be transgressed.
- 24.2 The applicant may practice his occupation in any trade form subject thereto that he is personally on a day-to-day basis in charge of the enterprise and holds the majority interest in the business.
- 24.3 The residential character and function of the dwelling unit must be maintained, and not more than 20% of the floor area of the dwelling unit, outbuildings excluded, or a maximum floor area of 75m<sup>2</sup> may be used for such practice.
- 24.4 Should more than the prescribed number of persons be accommodated on the premises where the household enterprise is conducted or, if more than 20% of the dwelling unit, outbuildings excluded or more than the maximum

floor area of 75m<sup>2</sup>, is to be used for the household enterprise, the special consent of the local municipality must be obtained in terms of Clause 21.

- 24.5 For the purposes of this clause, an agent or representative of the applicant will be considered an employee of such applicant.
- 24.6 The necessary building plans to indicate the change in use must be submitted if required by the local municipality. Parking is to be provided to the satisfaction of the local municipality in accordance with Table "B".
- 24.7 No goods may be displayed in public, in a window or in any other manner.
- 24.8 No notice or sign except such notice or sign as is normally displayed at the dwelling unit, to reflect the name of the applicant and the nature of the household enterprise may be displayed provided that the size of such notice shall not exceed 600mm by 450mm.
- 24.9 The amenity of the area may not be prejudiced.

## **25. CONSENT FOR SPECIFIC PURPOSES**

Without prejudice to any powers of the local municipality derived from any law, or the remainder of this scheme, nothing in the foregoing provisions of this scheme shall be construed as prohibiting or restricting the following:

- 25.1 the exploitation of minerals on any land not included in a proclaimed township;
- 25.2 the letting of a dwelling unit for occupancy of only one family; and
- 25.3 the letting of not more than two rooms of a dwelling unit.

## **26. CONVERSION RIGHTS**

### **26.1 "Mining 1 and Quarrying" or "Mining 2"**

26.1.1 Where land is already zoned as "Mining 1 and Quarrying" or "Mining 2", the Mining Rights holder shall consequent upon complying with any relevant requirements prescribed in terms of Mining and Environmental legislation such as The National Environmental Management Act, 1998 (Act No. 107 of 1998) with its amendments, and The Mineral and Petroleum Resources Development Act 2002 (Act No. 28 of 2002); such rights holder shall have the right to convert the zoning to "Mining 1 and Quarrying".

26.1.2 The mining company must provide the local municipality with:

- a) Written notification;
- b) Maps indicating the area of which the status has changed as indicated above.

26.1.3 Upon delivery of the documentation in paragraph 26.1.2 "Mining and Quarrying Purposes" rights shall commence forthwith.

26.2 "Protected Areas"

26.2.1 Where an owner of land declared the land or a portion of the land as a "Protected Area" in terms of any relevant national or provincial environmental legislation, such owner shall have the right to convert the zoning to "Protected Areas".

26.2.2 The owner must provide the local municipality with;

- (a) a copy of notice of declaration of land as a protected area; and
- (b) maps indicating the area of which the status has changed as indicated above.

26.2.3 Upon delivery of the documentation in paragraph 26.2.2 "Protected Areas" rights shall commence forthwith.

**27. REGISTER OF SPECIAL AND WRITTEN CONSENT APPROVALS AND RELEVANT CONDITIONS**

27.1 The local municipality shall keep a complete register of amendments, special and written consents approved by it in terms of this land-use scheme, or granted through the verdict of appeals, as well as conditions imposed in such approvals. Such register together with the land-use scheme will be available for inspection at any reasonable time to any interested person or body.

## **PART VII – APPLICATION OF THE SCHEME AND POWERS OF THE LOCAL MUNICIPALITY**

### **28. BINDING FORCE OF CONDITIONS**

Where consent to erect a building, or to execute any works, or to use any building or land for a particular purpose, in terms of this land-use scheme is granted, subject to conditions, such conditions shall have the same legal force as if incorporated in this land-use scheme and shall be regarded as though they were part of this scheme.

### **29. ENTRY UPON AND INSPECTION OF PROPERTIES**

*29.1* The local municipality may, through its authorized officials, enter upon any property at all reasonable times to conduct any inspection which the local municipality or its representative may consider necessary or desirable for the application of this scheme.

*29.2* No person shall in any manner hinder, obstruct or interfere with the execution of any duties by any authorized officer of the local municipality, or in so far as it may fall within his power, permit such official to be hindered, obstructed or interfered with.

### **30. SERVING OF NOTICES**

*30.1* Any directive, notice or other document which in terms of this scheme, requires or is authorized to be served, shall be signed by the Municipal Manager or another official authorized thereto by the local municipality, and shall be served in any of the following ways:

*30.1.1* On the person concerned, in person, or on his authorized representative.

*30.1.2* If service cannot be effected in the manner contemplated in sub-clause 30.1.3, at his residence or place of business or place of employment, on a person apparently not less than 16 years of age and apparently residing or employed there.

*30.1.3* If no such person can be found on the property mentioned in sub-clause 30.1.2, by affixing such directive, notice or other document at a conspicuous place on the premises and by dispatching a copy of such directive, notice or other document by pre-paid registered post to the last known place of residence, business, employment or post box of the person concerned.

*30.1.4* If such person upon whom a notice is to be served has chosen a domicilium et executandi, on such domicilium.

*30.2* Where any service is effected in accordance with the provision of sub-clause 30.1.3, such service shall be deemed to have been effected at the time when a letter containing such directive, notice or other document would have been delivered in the ordinary course of postal deliveries and proof that such directive, notice or other document was properly addressed and registered, shall be deemed sufficient proof of service thereof.

30.3 Any directive, notice or other document which in terms of the provisions of this land-use scheme is required to be given to the owner or occupant of any particular premises, may be addressed to the "owner" or "occupant" of such premises in respect whereof the directive, notice or other document is given, without any further name or description, and shall be deemed to be in compliance with the provisions of this clause.

### **31. POWERS OF LOCAL MUNICIPALITY IN CASE OF CONTRAVENTION OF LAND-USESHEME**

31.1 Where any person, in conflict with any provision of the land-use scheme in operation—

31.1.1 Undertakes or proceeds with erection or alteration of or addition to a building or causes it to be undertaken or proceeded with;

31.1.2 Performs, undertakes or proceeds with any other work or causes it to be performed, undertaken or proceeded with;

31.1.3 Uses any land or building or causes it to be used;

The local municipality shall direct such person in writing:

(a) to discontinue such erection, alteration, addition or other work or to discontinue such use or cause it to be discontinued; and

(b) at his own expense to:

(i) remove such building or other work or cause it to be removed;

(ii) to cause such building or other work or such use to comply with the provisions of the scheme.

31.2 Any person who contravenes the provisions of this scheme or fails to comply with an instruction issued in terms of Clause 31.1 commits an offence.

31.3 If a person fails to comply with a directive issued in terms of Clause 31.1, the local municipality may irrespective of the fact that such a person has criminally been charged or prosecuted, remove the building or other works at the expense of such a person, obtain a court order to remove the building or other work or cause, the building or other work to comply with the provisions of its land-use scheme and to recover all expenditure incurred in connection therewith, from such person.

31.4 Whenever any person is required to perform any act to the satisfaction of the local municipality:

31.4.1 the local municipality shall have the right to inspect the property or works under question to satisfy itself of compliance;

31.4.2 if the local municipality is not satisfied that compliance is taking place it shall:

- (a) send a notice to such a person informing the person of non-compliance, giving such a person 14 days or such an extended period as may be required to ensure compliance; and
- (b) failing which the stipulations of Clause 31.2 and 31.3 shall apply mutatis mutandis to this clause.

*31.5* any act or omission, being an offence in terms of clause 31.2 above, is triable in a Magistrates' Court created in terms of the MAGISTRATES COURTS ACT 1944 (Act 32 of 1944) and upon conviction, is punishable with a fine not exceeding R5000,00.
