## **2. OBJECTIVE OF POLICY**

The objectives of the Investment Policy are:-

- 2.1 to manage the investments of the municipality in such a manner that it will not tie up the municipality's scarce resources required to improve the quality of life of the citizens;
- 2.2 to manage the investments of the municipality in such a manner that sufficient cash resources are available to finance the capital and operating budgets of the municipality; and
- 2.3 to gain the highest possible return on investments during periods when excess funds are not being used, without unnecessary risk.

## **3. SCOPE OF POLICY**

- 3.1 The Policy deals with:-
- 3.2 Responsibility / Accountability;
- 3.3 Investment instruments;
- 3.4 Cash flow estimates;
- 3.5 Investment ethics and principles;
- 3.6 Investment procedures;
- 3.7 Other external deposits; and
- 3.8 Control over investments.

## **4. RESPONSIBILITY / ACCOUNTABILITY**

- 4.1 The Municipal Manager as the Accounting Officer of the municipality is accountable for investment management.
- 4.2 The municipal council must approve a policy directing procedures, processes and systems required to ensure efficient and effective management of investments.

4.3 Efficient and effective investment management include:-

- a) Accurately forecasting the institution's cash flow requirements.
- b) Timing of the in- and outflow of cash.
- c) Recognizing the time value of money.
- d) Taking any other action that avoids locking up money unnecessarily and inefficiently.
- e) Avoiding bank overdrafts.

## **5. INVESTMENT INSTRUMENTS**

5.1 The Minister of Provincial and Local Government may with the concurrence of the Minister of Finance by notice in the Gazette determine instruments or investments other than those referred to below in which Municipality may invest:-

- a) Deposits with banks registered in terms of the Banks Act, 1990 (Act No. 94 of 1990);
- b) Securities issued by the National Government;
- c) Investments with the Public Investment Commissioners as contemplated by the Public Deposits Act, 1984 (Act No. 46 of 1984);
- d) A municipality's own stock or similar type of debt; internal funds of a municipality which have been established in terms of a law pool money available to the municipality and to employ such money for the granting of loans or advances to departments within a municipality, to finance capital expenditure;
- e) Bankers' acceptance certificates, negotiable certificates or deposits of banks;
- f) Long term securities offered by insurance companies in order to meet the redemption fund requirements of municipalities; and
- g) Any other instruments or investments in which a municipality was under a law permitted to invest before the commencement of the Local Government Transition Act, 1996: provided that such instruments shall not extend beyond the date of maturity or redemption thereof.

## **6. CASH FLOW ESTIMATES**

6.1.1 Before money can be invested, the Municipal Manager must determine whether there will be surplus funds available for the term of the investment.

6.2 In order to be able to make investments for any fixed term, it is essential that cash flow estimates can be drawn up.

6.3 Provision must be made in the cash flow estimates for the operating and capital requirements of the municipality:-

a) The operating requirements must include provisions for:-

- (i) Payment of monthly salaries.
- (ii) Payment for bulk purchases of electricity and water.
- (iii) Interest on long-term loans.
- (iv) Maintenance of assets.
- (v) General expenditure.
- (vi) Expected daily and monthly income.

b) Capital requirement must provide for:-

- (i) The anticipated cash flow requirements for each capital project.

## **7. INVESTMENT ETHICS AND PRINCIPLES**

7.1 The Municipal Manager will be responsible for the investment of funds, and he / she has to steer clear of outside interference, regardless of whether such interference comes from individual councillors, agents or any other institution.

7.2 Under no circumstances may he / she be forced or bribed into making an investment.

7.3 No member of staff may accept any gift unless that gift can be deemed so small that it would not have an influence on his / her work or was not intended to do so, and can merely be seen as goodwill.

7.4 A certificate in respect of any gifts received should be furnished to the Municipality.

7.5 Interest rates offered should never be divulged to another institution.

- 7.6 Long-term investments should be made with an institution with at least a minimum F rating (where F refers to low risk institutions).
- 7.7 Short-term investments should be made with an institution with at least a minimum BBB+ rating (where BBB+ refers to higher risk institutions).
- 7.8 Not more than 50% of the municipality's available funds should be placed with a single institution if the available funds exceed R50m.
- 7.9 The maximum amount invested with a financial institution should not exceed 10% of the relevant institution's shareholder's funds (capital and reserves).
- 7.10 The municipality may not borrow money specifically for reinvestment, as this would mean interest rates would have to be estimated in advance, which can be seen as speculation with public funds.
- 7.11 If the Municipal Manager invests with financial institutions, he/she must ensure that such institutions are registered in terms of the Banks Act, 1990 (Act No. 94 of 1990) and that they are approved financial institutions, as approved by the Reserve Bank of South Africa from time to time.
- 7.12 When making growth related investments, the Municipal Manager must obtain a guarantee that at least the capital amount invested is safe, and must exercise due diligence in this regard.

## **8. INVESTMENT PROCEDURES**

After determining whether there is cash available for investment and fixing the maximum term of investment, the Municipal Manager must consider the way in which the investment is to be made.

### **8.1 Short-term Investments:**

- a) Quotations should be obtained from a minimum of three financial institutions (local banks), for the term of which the funds will be invested.
- b) Should one of the institutions offer a better rate for a term, other than what the municipality had in mind, the other institutions which were approached, should also be asked to quote a rate for the other term.
- c) Quotations should be obtained in writing.

d) Quotations from institutions must include the following:-

- (i) Name of institution;
- (ii) Name of person quoting rates;
- (iii) Period of the investment;
- (iv) Relevant conditions; and
- (v) Other facts, such as interest payable monthly or on maturation date.

- e) Once the required number of quotes has been obtained, a decision must be taken regarding the best terms offered and the institution with which funds are going to be invested.
- f) The best offer must under normal circumstances be accepted, with thorough consideration of investment principles.
- g) No attempt must be made to make institutions compete with each other as far as their rates and terms are concerned.
- h) The investment capital must only be paid over to the institution with which it is to be invested and not to an agent or third party.
- i) The financial institution where the investment is made must issue a confirmation stating the details of the investments.
- j) The Municipal Manager must make sure that the investment document, if issued, is a genuine document and issued by the approved institution.
- k) The financial institution, where the investment is made, must issue a certificate for each investment made stating that no commission has, nor will, be paid to any agent or third party, or to any person nominated by the agent or third party.
- l) The municipality must be given a monthly report on all investments.
- m) The Municipal Manager must obtain information from which the creditworthiness of financial institutions can be determined. This must be obtained and analysed annually.

## 8.2 Long-term investments:

- a) Written quotations must be obtained for all investments made for periods longer than twelve months.
- b) The municipal council must approve all investments made for periods longer than twelve months after considering the cash requirement for the next three years.
- c) The municipality must within 30 days after an investment with a term of 12 months or longer has been made, publish in a local newspaper in circulation within its area of jurisdiction, full details of any investments so made.

### **8.3 Withdrawals**

All investment amounts withdrawn and not to be re-invested at the same institution at the time of withdrawal, shall be paid into the primary bank account.

All interest shall be paid into the primary bank account at the time of withdrawal of an investment, irrespective of the capital being re-invested.

## **9. OTHER EXTERNAL DEPOSITS**

The principles and procedures set out above must apply to other investment possibilities subject to the applicable legislation, which is available to the municipality, including debentures and other securities of the state as well as other municipalities or statutory bodies in the Republic of South Africa, instituted under and in terms of any law.

## **10. CONTROL OVER INVESTMENTS**

10.1 An investment register should be kept of all investments made. The following information must be recorded:-

- a) Name of institution;
- b) capital invested;
- c) date invested;
- d) interest rate;
- e) maturation date;
- f) interest received;
- g) capital repaid; and
- h) balance invested

- 10.2 The investment register and accounting records must be reconciled on a monthly basis.
- 10.3 The investment register must be examined on a weekly basis to identify investments falling due within the next week.
- 10.4 Interest, correctly calculated, must be received timeously, together with any distributable capital.
- 10.5 Investment certificates, if issued, must be kept in a safe place with dual custody.
- 10.6 The following documents must be safeguarded:-
- a) Fixed deposit letter or investment certificate;
  - b) Receipt confirmation for capital invested;
  - c) Copy of electronic transfer or cheque requisition;
  - d) Schedule of comparative investment figures;
  - e) Commission certificate indicating no commission was paid on the investment; and
  - f) Interest rate quoted.

## **11. CASH MANAGEMENT**

### **Cash Collection**

- 1) All monies due to the municipality must be collected as soon as possible, either on or immediately after due date, and banked within 48 hours in the municipality Primary Bank.
- 2) The respective responsibilities of the Chief Financial Officer and other directors in this regard are in terms of the approved budget and other budget related policies.
- 3) Collection and banking of revenue is the lifeblood and determines the going-concern status of a municipality. A health cash flow is crucial to ensure sustainable service delivery and infrastructure development and maintenance and preservation.
- 4) These if appropriately prescribed in terms of section 64 of the Municipal Finance Management ACT of 2003.

## **11.1 SECTION 64: REVENUE MANAGEMENT**

- The Accounting Officer of the municipality is responsible for the management of the revenue of the municipality.
- The Accounting Officer, must, among other things, take all reasonable steps to ensure that all money received is promptly deposited in accordance with the requirements of the Act into the municipality's primary bank account.
- The Accounting Officer must also ensure that all revenue received by the municipality, including revenue received by any collecting agent on its behalf, is reconciled on regular basis.
- The Accounting Officer must take all reasonable steps to ensure that any funds collected by the municipality on behalf of another organ of state are transferred to that organ of state at least on a regular basis, and that such funds are not used for purposes of the municipality.

## **11.2 REVENUE AND CASH COLLECTION**

1. Every director shall be responsible for the collection of all moneys falling within the ambit and area of his or her designated functions and budget.
2. The Chief Financial Officer shall ensure that all revenues are properly accounted for.
3. The collection of all arrear revenues and the control of arrear accounts shall be co-ordinated by the Chief Financial Officer in terms of any policies determined by the Council. If it is clear that any revenues are not recovered or likely to be recovered after the necessary steps have been taken, the Chief Financial Officer shall report the matter adequately and timeously to the finance Committee and advice for adjustment purpose.

## **11.3 CASH COLLECTION**

All monies due to the municipality must be collected as soon as possible, either on or immediately after due date, and banked on a daily basis.

Controlled, secured and prompt cash collection

All cashier banking batches and or shifts must be closed at least on a daily basis  
Each cashier banking batch must be closed and deposit in the primary bank account separately;

All forms, categories or types of money receipted must be quoted in the form or type received, for example cheques as cheques and cash as cash;

#### **11.4 END OF SHIFT/DAY**

A cashier must count the money he/she receipted, record the outcome on the cash-up sheet per category, then report to the senior responsible for the closing of the banking batches;

No cashier may have access to the closing bank batch facility of the financial system

The senior verifies whether the amounts are correct and send the cashier back if necessary, otherwise closed the banking batch

All shortages must be paid in by the cashier and all surpluses must be receipted in the vote number open for this purpose.

The cashier in the presence of the senior put the money in the cash bags; seal it and lock it away in his/her fault for collection

All closed banking batches must be deposited and received by the bank within 48 hours;

A service provider will collect all bags; quote the seal serial number and issue a receipt for the money bags

The service provider must ensure that the bank check the seals, verify the seal number and sign for the money bag

All shortages must be paid in by the supervisor and all surpluses must be receipted the vote number open for this purpose.

#### **11.5 AVAILABILITY OF RECEIPTING POINTS**

Cash receipting points will be available in Polokwane civic centre, Mankweng, Seshego, Sebayeng municipal offices and other special services like Traffic and licensing in Ladanna, Game reserve, Swimming pools, Library, sports and facility management.

The normal office hours are Monday to Friday 08h00 till 15h30

The Municipality also makes use of third party payments for example Easy pay and Pay -a- Bill. The bank facilities such as; speed points, EFT, debit orders, direct deposits and some approved cheques.

Electronic payments directly into the bank account are allowed provided that the client use his/her debtors account number as reference or booking number or reference granted by the municipality.

### **12. . CODE OF PRACTICE WITH REGARD TO CASH COLLECTION AND BANKING**

#### **12.1 CASHIER SHORTAGES**

It is the cashier s responsibility to take care of custody of cash until it is handed over to the supervisor or banked. For this reason shortages will be handled as hereunder:

- Up to R100 must be paid in by the cashier immediately before banking is done.

- More than R100 up to R500, the cashier account must be debited and the total balance must be deducted from the cashier's salary end of the same month.
- Two shortages of over R100 in one month, cashier must get a warning, if it happens three times, written warning must be issued and valid for Three Month. (Disciplinary actions will be taken for shortages in excess of the above).
- Shortages of over R500 up to R1000, written warning will be issued to the cashier and disciplinary actions may be taken against the cashier.
- Shortage over R1000 disciplinary actions must be instigated against the cashier. (First time offender option of final warning and repayment, second time offender will have option of final warning or dismissal)

## **12.2 SHORTAGES IN THE BANK**

It is the supervisor accepting the money from the cashier for banking, until the money is banked. As results shortages reported by the bank will be accounted and paid for by the supervisor who prepared the banking. The above principle on cashier shortages will be applicable in terms of payments and disciplinary actions to be considered.

## **12. SHORT TITLE**

This Policy shall be called the Investment Policy of the Polokwane Municipality.
