

## **PUBLIC NOTICE**

28 April 2021

### **BIKO PARK ELECTRICITY OFF**

A high voltage (HT) cable fault has been discovered in Biko Park in the Seshego area. As a result of the fault, the whole of Biko Park area is off.

Municipal technicians are working on fixing the fault and restoring electricity supply to the area. At this stage, the municipality cannot estimate how much time it would take to restore supply.

All customers in Biko Park are advised to treat all electrical wiring as live and to switch off all appliances to avoid injury and damage once supply is restored.

Polokwane Municipality apologizes for the inconvenience caused.
