INTERRUPTION OF WATER SUPPLY IN MASHASHANE AREA

Residents and businesses of Mohlonong, Maune, Mandela, Sebora and Kgasha villages in the Mashashane area are notified of water supply interruption from the Mashashane Water Plant due to a main pipe burst.

The municipality is aware of the interruption and has notified the service provider to attend to the matter. Normal supply shall be restored once the burst has been fixed.

Areas receiving water supply are urged to use water sparingly. Polokwane Municipality apologizes for any inconvenience caused by the disruption.

The municipality urges all to report water challenges promptly to municipal water and sanitation helpline at 015 023 5376 / 5629 so that the municipality can come to the aid of the affected.
