OLIFANTS STOPPED DUE TO SPECON PIPE LEAK

Polokwane Municipality is hereby notifying all affected water users that water supply from Olifantspoort supply line has been stopped.

Lepelle Northern Water (LNW) has cited multiple leaks on specon pipeline as the cause for water supply stoppage to Polokwane areas of supply. All areas of supply from Ga-Chuene to City and Seshego will be affected.

The stoppage comes at the time when most reservoir levels are sitting at a worrying 0%.

LNW promised to complete the repairs within five hours from now. Water supply shall be restored one Lepelle Northern Water team has completed the repairs.

Areas receiving supply are urged to use water sparingly. The municipality apologises for the inconvenience caused.
