

PUBLIC NOTICE

14 January 2021

PIPE BURST AFFECTS SUPPLY TO THORNHILL AREA

Polokwane Municipality is working on restoring water supply to areas affected by pipe burst around Woodhill Estate. Supply has been stopped to allow for repairs on the pipe.

This is affecting water supply to all estates and areas around Mall of the North and Thornhill. The maintenance team has estimated six hours until restoration of water supply to all affected areas.

All affected users are urged to ensure that all taps are closed during this time to avoid loss of water once supply is restored. Areas receiving supply are urged to use water sparingly.

The municipality apologises for the inconvenience caused; and further appreciate patience and understanding of all affected.
