

PUBLIC NOTICE

29 November 2020

DAMAGED CIRCUIT BREAKER AFFECTS POWER SUPPLY

Polokwane Municipality is working on restoring power supply to the Bendor area. The area is off due to a faulty circuit breaker that was traced from the Bendor substation.

Power supply to the affected area shall be restored once the electrical team from the municipality completes the repairs.

In the meantime, affected customers are urged to treat all electrical wiring as live and switch off all appliances to avoid injury and damage once supply is restored.

Electricity challenges can be reported to the electrical call centre at 015 023 5490 / 015 023 5705.

The municipality apologizes for the inconvenience caused.
