LUTHULI PARK SWITCHED OFF

Polokwane Municipality has just switched off power supply to Luthuli Park Phase 1 due to repairs that need to be conducted on the line supplying to the areas.

The switch off is necessary to enable the electrical team to replace a falling transformer pole.

Power supply shall be restored once the team completes the work within estimated two hours from now.

All affected users are urged to treat all electrical wiring as live and switch off all appliances to avoid injury and damage once supply is restored.

Electricity challenges can be reported to the electrical call centre at 015 023 5490 / 015 023 5705.

The municipality apologizes for the inconvenience caused.
