

PUBLIC NOTICE

14 January 2021

UPDATE ON PIPE REPAIRS IN THE THORNHILL AREA

The maintenance team has completed repairs on the line supplying to the estates and areas around Thornhill and Mall of the North.

Water supply has been restored to all areas that were affected by stoppage due to burst pipe.

Areas that might experience discolouration of water are advised to exercise patience and not panic as the water would clear soon. The discolouration is caused by ingress of murky water into the pipe while the team is working on it.

All users are urged to use water sparingly.

The municipality appreciates your understanding and apologises for the inconvenience caused.
