PUBLIC NOTICE

17 March 2021

UPDATE ON POWER SUPPLY IN SESHEGO AREA

The electricity supply situation in the Seshego area has been normalized.

The area experienced power failure from early hours of this morning due to a blown up transformer.

Areas that are still experiencing power supply challenges are advised to report to the electrical helpline at 015 023 5490 / 5705 or send a WhatsApp message to 083 824 9886.

Polokwane Municipality appreciates patience and cooperation of all stakeholders; and urges to all to use electricity wisely.
