Schedule C

MFMA Circular No 108

9.3 Submission using LG Upload Portal

In MFMA Budget Circular No 107, it was indicated that budget-related documents and schedules must be uploaded by approved registered users using the LG Upload Portal at: <https://lguploadportal.treasury.gov.za/> and that National Treasury was planning to retire lgdocuments@treasury.gov.za from 01 July 2021 to ensure that there is a single collection point of municipal financial data. However, based on workflow licensing challenges on the LG Upload Portal, data string submissions will shortly be shifted to the Open Portal GoMuni while documents must still be submitted using lgdocuments@treasury.gov.za. The document submissions will also be shifted to GoMuni as soon as possible.

All municipalities and their entities had to prepare their MTREF budget directly on the *mSCOA* financial systems from 01 July 2017. Therefore, all MBRR schedule submissions must be submitted in **PDF format only**.

MFMA Circular 108

With effect from 1 July 2021 the municipality does not have access to the excel version of the C schedule, therefore the PDF format extracted from the financial system is attached as Annexure A.

There is lots of blank pages which may seem irrelevant, the budget office is unable to hide them as this is a National Treasury Template
