Report of the Chief Financial Officer

Purpose

The purpose of this report is to comply with section 71 of the MFMA and the requirements as promulgated in the Government Gazette No 32141 of 17 April 2009 (Municipal Budgeting Monitoring and Reporting Requirements).

Strategic Objective

To comply with MFMA priorities as well as MFMA implementation plan

Background

The Financial Report provides a high level overview of the organisation's financial viability and sustainability. The report meets the requirements of the Municipal Finance Management Act (MFMA 56/2003 – S66 and S71) and the Municipal Budgets and Reporting Regulations (MBRR - No 32141 gazetted 17 April 2009).

Discussion

Section 71 (1) states that “the accounting officer of the municipality must by no later than 10 working days after the end of each month submit to the mayor of the municipality and the relevant treasury a statement in the prescribed format on the implementation of the municipality’s approved budget”.

The results for the month and quarter are summarised herein under and for the reporting period ended 30 April 2020, the 10 working days reporting period to National Treasury expires on the 15th May 2020. However due to Covid 19 the report was submitted within 30 days after Lockdown. The Budget and Treasury Office has met the timelines for this reporting period

Extract from Annexure to MFMA Circular 99

“Municipalities and municipal entities will be exempted from the timeline provisions in the MFMA, until such time that the national state of disaster declaration is lifted by the Minister of Cooperative Governance and Traditional Affairs. The exemption is conditional in that “any action that was required to be taken in terms of the MFMA must be taken within 30 days after the national state of disaster lapsed or is terminated”. This exemption should therefore enable municipalities and municipal entities to undertake their financial management responsibilities including their budget preparation processes in a manner taking cognisance of the challenges experienced as a result of the announcement of the national state of disaster and the nationwide lockdown.”
