SPECIAL ADJUSTMENTS BUDGET FOR 2018 – 2019 FINANCIAL YEAR

Report of the Chief Financial Officer

1. Purpose of the report

The purpose of the report is to submit the 2018/2019 Special Adjustment Budget as required by section 28 of the Local Government Municipal Finance Management Act, No. 56 of 2003 and to request approval thereof.

2. Background

On the 27th February 2019, Council approved the first Adjustment budget for the 2018/19 financial year (CR123/02/19). The approved adjustment budget should be implemented in terms of Section 69 of the Municipal Finance Management Act (MFMA). Section 69 (2) further stipulates that in the process of implementing the budget and when necessary, the Accounting Officer must prepare an adjustments budget and submit it to the Mayor for consideration and tabling in the Municipal Council.

Only one adjustments budget may be tabled in the municipal council during a financial year, except when the additional revenues are allocated to a municipality in a national or provincial adjustments budget in terms of section 28(2)(b) of the MFMA which stipulates the following:

- (1) A municipality may revise an approved budget through an adjustments budget.
- (2) An adjustments budget –
 - (b) may appropriate additional revenues that have become available over and above those anticipated in the annual budget, but only to revise or accelerate spending programmes already budgeted for;

The National Treasury issued a gazette, (No. 42318) dated 18th March 2019, which indicated additional grant allocations to be received by Polokwane Municipality thereby affecting the provision of section 28(2)(b) as mentioned above.

Further, section 23 of the MBBR (Municipal Budget and Reporting Regulations) states that such adjustment budget must be tabled in the next available Council but within 60 days of the approval of the national adjustment budget i.e. gazette no 42318 dated 18th March 2019.

Therefore, the last day for approval in terms of the MBBR is **16th May 2019**.

- (a) To adjust the revenue and expenditure estimates downwards if there is material under-collection of revenue during the current year.

- (b) to authorise expenditure of any additional allocations to the municipal entity from its parent municipality.
 - (c) to authorise, within a prescribed framework, any unforeseeable and unavoidable expenditure approved by the mayor of the parent municipality.
 - (d) to authorise any other expenditure within a prescribed framework.
- (7) Any projected allocation to a municipality entity from its parent municipality must be provided for in the annual budget of the parent municipality, and to the extent not so provided, the entity's budget must be adjusted.
