

PUBLIC NOTICE

 Friday, 03 July 2026

ROAD SAFETY AND TRAFFIC COMPLIANCE

Polokwane Municipality urges all motorists and public transport operators to obey the rules of the road to protect lives and promote safer roads.

-  • **Observe the speed limit at all times.** Speed law enforcement operations are ongoing, and offenders will be fined.
-  • **Display both front and rear registration number plates.** Motorists found driving without a front number plate, or with removed or obscured plates, will face fines and enforcement action.
-  • **Taxi operators are reminded to use the designated taxi ring routes** and must not operate on **Landros Mare Street** and **Market Street**, as these roads are not designated taxi routes.
-  • **Respect all traffic signs, road markings and traffic regulations** to ensure the safe movement of motorists, pedestrians and public transport.

 **Road safety is everyone's responsibility. Together, let us obey the law, protect lives and build a safer City of Polokwane.** | **END**
