UNPLANNED POWER OUTAGES FOLLOWING HEAVY RAIN AND HAILSTORM

Polokwane Municipality advises residents that, following the heavy rains and hailstorm experienced last night, several areas, including **Seshego, Nirvana, Westenburg and Ivydale**, are currently experiencing unplanned power outages.

Municipal Energy Services teams are attending to the affected areas and working to restore electricity supply as soon as possible.

Residents in other areas experiencing power outages are urged to report these promptly to enable the municipality to assess the extent of the outages and dispatch response teams where necessary.

REPORT ELECTRICITY OUTAGES:

Energy Services at **015 290 2490** | Municipal Call Centre: **015 290 2000**
| MyPolokwane Citizen App

The municipality apologises for the inconvenience caused and appreciates residents' patience and cooperation as restoration efforts continue.
