OLIFANTSPOORT WATER SUPPLY SHUTDOWN AFFECTING SUPPLY WITHIN POLOKWANE

Polokwane Municipality wishes to inform residents and businesses that Lepelle Northern Water is undertaking urgent maintenance work at the Olifantspoort Scheme.

The shutdown has been running from 06:00 today and will conclude at 23:59 to facilitate the replacement of valves and cleaning of the contract tank (reservoir). During this period, the scheme is operating at reduced capacity.

This is therefore affecting water supply in areas from **Ga-Chuene** and **Thokgoneng** through to **City** and **Seshego**, including **Extensions 71A and B , 75, 44 and 76, Zones 4 5, 8, Extensions 133,134 and 127.**

Water supply is expected to be fully reinstated from 01:00 on Wednesday, 12 August 2026, with municipal reservoirs expected to start receiving water from approximately 06:00.

For any water and sanitation-related queries, kindly contact the Municipality's dedicated Water and Sanitation Helpline: **015 290 2376 / Municipal Call Centre: 015 290 2000 / WhatsApp: 068 290 8736 / MyPolokwane Citizen App** – downloadable from all major app stores.

END
