PLANNED POWER INTERRUPTION: ALPHA SUBSTATION

Polokwane Municipality wishes to inform residents and affected stakeholders of a planned power interruption at the Alpha Substation as follows:

Date:
Wednesday, 14 October 2026

Time:
08:00–13:00
(approximately 5 hours)

The interruption is necessary to facilitate the installation of a new metering unit on the Eskom incomer cable. The interruption will affect electricity supply to the following areas:

- Extension 40
- Extension 44
- Extension 65
- Extension 71
- Extension 75
- Extension 76
- Place of Safety
- Pretoria Pad Line

The work is scheduled to take approximately five hours. **However, electricity supply may be restored earlier should the work be completed any time including ahead of the schedule time.** As a result, all affected residents and stakeholders are urged to treat electrical wiring and installations as **LIVE throughout the interruption.**

For electricity related queries, kindly contact
015 290 2490 or via **MyPolokwane Citizen App**
