TOP-LAYER  
REVISED SERVICE DELIVERY AND BUDGET IMPLEMENTATION PLAN (SDBIP)  
2022/23

|                       |   |
|-----------------------|---|
| INTRODUCTION          | <p>In terms of the Local Government: Municipal Finance Management Act, Act 56 of 2003, Section 69(3)(a) states that the Accounting Officer must no later than 14 days after the approval of an annual budget submit to the mayor a draft service delivery and budget implementation plan for the budget year. And further section 53 (1) (c) (ii) states that a Mayor of the Municipality must approve the service delivery and budget implementation plan of the municipality within 28 days after the approval of the final budget.</p> <p>MFMA Circular 13 of 2005 gives effect to the provisions of Section 53 (1) (c)(ii) of the Local Government: Municipal Finance Management Act. The Circular states that the Service Delivery and Budget Implementation Plan give effect to the Integrated Development Plan and the Budget of the Municipality. It provides a vital link and alignment between the Integrated Development and the Budget of the Municipality.</p>   |
| LEGISLATION FRAMEWORK | <p>Section 1 of the Local Government: Municipal Finance Management Act, Act 56 of 2003 defines the Service Delivery and Budget Implementation Plan as:</p> <p>“a detailed plan approved by the mayor of a municipality in terms of section 53 (1) (c) (ii) for implementing the municipality’s delivery of services and the execution of its annual budget and which must include (as part of the top-layer) the following:</p> <ul style="list-style-type: none"> <li>(a) Projections for each month of –</li> <li>(i) Revenue to be collected by source; and</li> <li>(ii) Operational and capital expenditure, by vote</li> <li>(b) Service delivery targets and performance indicators for each quarter”</li> </ul> <p>Section 69 (3) (a) of the MFMA requires the accounting officer to submit a draft to the mayor no later than 14 days after the approval of the budget and drafts of the performance agreements as required in terms of Section 57 (1) (b) of the Municipal Systems Act.</p> <p>Section 53 (1) (c) requires that a municipality’s Service Delivery and Budget Implementation Plan be approved by the Mayor within 28 days after the approval of the budget.</p> <p>The mayor must ensure that the revenue and expenditure projection for each month and the service delivery targets and performance indicators as set out in the SDBIP are made public with 14 days after approval. The SDBIP may be revised at lower layers of the plan by the municipal manager and directors taking into consideration each months or quarterly actual performance. The top-layer SDBIP and its targets cannot be revised without notifying council, any changes to the top-layer SDBIP targets, performance indicators must be approved by council following the adjustment budget in terms of section 54 (1) (c) of the MFMA. The council approval is meant to avoid a situation where service delivery targets may be revised downwards in the event of poor performance.</p> |
| SDBIP METHODOLOGY     | <p>The IDP objectives need to be quantified and translated into key performance indicators. The budget is then aligned to the objectives, projects and activities to enable the SDBIP to serve as a monitoring tool for service delivery.</p> <p>The SDBIP is a layered plan that comprises the top layer as well as the lower layer SDBIP. The top layer deals with consolidated service delivery targets and time frames for top management, whereas the lower layer consists of detailed outputs that are broken down into smaller outputs and then linked and assigned to middle and lower managers.</p> <p>The following are the minimum required components of a top-layer SDBIP:</p> <ul style="list-style-type: none"> <li>(a) Monthly projections of revenue to be collected for each source</li> <li>(b) Monthly projections of expenditure (operating and capital) and revenue for each vote</li> <li>(c) Quarterly projections of service delivery targets and performance indicators for each vote</li> <li>(d) Ward information for expenditure and service delivery</li> <li>(e) Detailed capital works plan broken down by ward over three years</li> </ul> <p>The diagram below shows the process for approving the SDBIP including how the departmental SDBIPs roll up into the draft SDBIP:</p> <pre> graph TD     A[DEPARTMENTAL SDBIP] --&gt; B[ROLL UP]     B --&gt; C[DRAFT SDBIP]   </pre>  |

| SERVICE DELIVERY AND BUDGET IMPLEMENTATION PLAN REPORTING CYCLE | <p>The Service Delivery and Budget Implementation Plan is a management tool that will be used by the Executive Management Committee to monitor institutional performance, departmental performance, SBU performance and individual performance of employees. The Service Delivery and Budget Implementation Plan will be used by Mayoral Committee and Council to play oversight on the performance of the municipality and will be used as the basis of reporting municipal performance to the community of Polokwane and all interested stakeholders. It will serve as a early warning system for poor performance and will allow for timeous intervention to correct poor performance.</p> <p>The reporting cycle of this Service Delivery and Budget Implementation Plan is aligned to the Council approved PMS Framework and the PMS Policy. Reporting will be done:</p>   |

**SDBIP  
APPROVA  
L**

|   |  |   |
|---|--|---|
| <b>Approval by the Executive Mayor</b>            | This SDBIP is a management and implementation plan (and not a policy proposal) and is therefore not required to be approved by the Council. The approval of the SDBIP is a competency reserved for the Mayor of the Municipality in terms of Section 53 of the MFMA. The Municipal Manager becomes responsible for ensuring that the SDBIP is submitted to the Mayor within 28 days after the approval of the final IDP and Budget. The 2022/23 Final IDP and Budget of Polokwane Municipality was approved by Council on the 26 May 2022. |   |
| <b>Monitoring the Implementation of the SDBIP</b> | Progress against the objectives set out in the SDBIP will be monitored and reported on a quarterly and annual basis as per the Approved PMS Policy and Framework.  |   |
